ABOUT MRDU

Malla Reddy (MR) Deemed to be University (MRDU), formerly Malla Reddy Engineering College (Autonomous) (MREC), is one of the leading universities in Hyderabad, Telangana. It is part of the Malla Reddy Group of Institutions (MRGI), founded by Sri Ch. Malla Reddy, MLA, Medchal Constituency, Telangana, and a visionary in quality technical education.

Established in 2002 as an engineering college affiliated with JNTU Hyderabad, MRDU was conferred Deemed-to-be University status in 2025, approved by both the UGC and AICTE.

The University offers 13 Undergraduate, 6 Postgraduate, and Doctoral programs with an annual intake of 3,380 students across four Schools. MRDU is accredited by NAAC with an "A++" Grade (valid for seven years). Six UG programs hold NBA Tier-I Accreditation, and PG programs are also NBA-accredited—a distinction achieved by few institutions in India. With a strong focus on innovation, research, and industry-driven education, Malla Reddy (MR) deemed to be University continues to nurture future-ready professionals and global leaders.

ABOUT THE SCHOOL OF ELECTRONICS SCIENCES & TECHNOLOGY

The School of Electronics Sciences & Technology at MRDU has been producing high quality technical manpower needed by industry, R&D organizations, and academic institutions since 2003. The Department offering M.Tech with Electrical Power Systems since 2010. The department was accredited by NBA and NAAC.

ABOUT FDP

The faculty development programme is aimed for Research Scholars and Faculty from International/ National/State/Central/Private Universities, Engineering Colleges and Industry personnel. The main objective of this FDP is to disseminate the knowledge on the recently developed methods and theories in the developing direction of AI & IOT application for sustainable green Energy sources, technologies & practice in Electrical Engineering will be discussed in detail.
